Important Policies Regarding Peer Review

Peer review Comments Approval Policy: <https://r1.reviewerhub.org/peer-review-comments-approval-policy/>

Benefits for Reviewers: <https://r1.reviewerhub.org/benefits-for-reviewers>

PART 1: Comments

	Reviewer's comment	Author's Feedback <i>(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Please write a few sentences regarding the importance of this manuscript for the scientific community. A minimum of 3-4 sentences may be required for this part.	Very good research work and might be useful for the new researchers to find the effect of extract using nanoparticles also.	
Is the title of the article suitable? (If not please suggest an alternative title)	Some minor corrections in the title- fortified with mulberry leaves	

Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	Spelling mistake is noted(3 rd line) Statistical data missing in table and in graph the X and Y axis not properly mentioned - not self -explanatory	
Is the manuscript scientifically, correct? Please write here.	yes	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	8 th reference is very old one as there are plenty of references available for sericulture work so the author can add many recent research references.	
Is the language/English quality of the article suitable for scholarly communications?	yes	
<u>Optional/General</u> comments
