Important Policies Regarding Peer Review

Peer review Comments Approval Policy: <https://r1.reviewerhub.org/peer-review-comments-approval-policy/>

Benefits for Reviewers: <https://r1.reviewerhub.org/benefits-for-reviewers>

PART 1: Comments

	Reviewer's comment	Author's Feedback (Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Please write a few sentences regarding the importance of this manuscript for the scientific community. A minimum of 3-4 sentences may be required for this part.	This research is important for cases of hemorrhagic cystitis, not only in elephants, but also it can be applied to similar cases in other animals as well as in humans. This therapeutic approach should be explored more extensively in similar cases and across different animal species, given the scarcity of research in this area.	Okay
Is the title of the article suitable? (If not please suggest an alternative title)	The title is suitable but I prefer to add effective Effective therapeutic approach to haemorrhagic cystitis in a captive asian elephant (<i>elephas maximus</i>)	Noted
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.		
Is the manuscript scientifically, correct? Please write here.	This manuscript may fall under the category of a Case study or case report	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	The references are sufficient and relatively recent, especially since research on elephants is quite rare	

Is the language/English quality of the article suitable for scholarly communications?	Suitable	
<u>Optional/General</u> comments	PLEASE SEE ATTACHMENT	Done as suggested

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	(If yes, Kindly please write down the ethical issues here in details)
